

Mats for sport, fitness, leisure and hobbies

Dear Customer,

Congratulations on the purchase of our 9mm SERI MATS mat! To ensure that you can use it for as long as possible, please follow these instructions for use and care.

Instruction manuel

Indoor use

Lay the mat flat on the floor. Before doing so, remove any objects from under the mat that could damage it.

Outdoor use

Make sure the surface is smooth: pointed or sharp-edged objects could damage the mat.

Care instructions

Cleaning

Use a soft sponge or cloth with soapy water or mild household cleaner.

Benzine based, alcohol and commercially available stain removers must not be used for cleaning under any circumstances.

Cleaning the mat with disinfectant for surface cleaning (without alcohol) is possible: Disinfectant cleaners from Sagrotan® and mikrozid® have proven themselves here.

Notes

Do not wash your mat in the washing machine under any circumstances.

The mat is not suitable for the tumble dryer.

Do not use a vacuum cleaner to clean the mat, this may cause damage.
